

MyPF Company Profile

Changing the financial landscape

MyPF Services PLT (MyPF) started as a response to bridge the void in financial education. Since its inception in April 2013, MyPF has helped change the way Malaysians view and manage personal finances. We are one of Malaysia's most respected and reputable financial education companies that offer comprehensive personal finances planning and education.

An unwavering focus on simplicity and growth

Our motivation is to simplify personal finances and help our clients grow. Navigating the complexities and pitfalls of finances alone can be very challenging and daunting. We help make our clients' journey to financial independence sure. As a client-focused company, we put clients first and abide by proven financial principles with the highest degree of integrity.

Serving individuals and professionals

We provide expertise and advice for our clients who range from students to top professionals in their respective fields. We have a presence in Klang Valley, Penang and nationwide. MyPF through its advisors and partners provide personal finances advisory, products and services tailored to meet clients' needs.
